Resources for Studying Abroad

What should you be looking at?

The Study Abroad Prep Course
This class enables you to learn about multiple countries available for study abroad opportunities. Taught by Yana Cornish, the class helps you with all aspects of studying abroad from paperwork to general information. This class is not required if you are studying abroad.

Newsletter
The newsletter keeps you up to date on important information that is useful while traveling abroad and reminds you about things that are usually put off until the last minute.

Website www.uni.edu/studyabroad
The website informs individuals about the programs offered through the Study Abroad Center, the application required for those programs, and the checklists for the individual programs.

Information Sessions
Information Sessions are quick group meeting with other interested students held by the Study Abroad Center or Study Abroad Summer Programs professors. The list of upcoming info sessions are located on the reverse side of the newsletter or the website.

Advisor Appointments
Peer Advisors — Student workers who have studied abroad for a semester or are exchange students to UNI. They work with the students individually with their Passports, airfare, and other travel needs.
Full-time Advisors — They work with student in group settings or individual appointments with their questions.

ALL ABOUT...

Fun Recipes From Abroad!

Pavlova (Australian)

Ingredients (serves 8)

- 6 egg whites
- 1 1/2 cups caster sugar
- pinch cream of tartar (see note)
- 10 oz thickened cream
- 1 tablespoon icing sugar mixture
- 1 teaspoon vanilla extract
- 9 oz strawberries, hulled, sliced
- 2 kiwifruit, peeled, sliced
- 5 oz blueberries

Notes

Cream of tartar increases the volume of egg whites when beating and gives the Pavlova a crispy crust.

Method

1. Preheat oven to 302°F. Line a baking tray with baking paper. Mark a 9" circle on the paper.
2. Using an electric mixer, beat egg whites until stiff peaks form. Add caster sugar. Beat for 10 minutes or until sugar has dissolved.
3. Add cream of tartar. Beat for 1 minute.
4. Spoon mixture onto circle. Using a palette knife or spatula, shape into a circle with high sides. Make 'furrows' up the sides.
5. Bake for 1 hour or until firm. Turn off oven. Allow to cool in oven with door slightly ajar.
6. Using an electric mixer, beat cream, icing sugar and vanilla until soft peaks form.
7. Place Pavlova on a serving plate. Top with cream mixture and fruit.
8. Serve.
