Socio-Economic Capstone in Nicaragua
May 11to May 22

Turn Your Summer into an Adventure!

STUDY ABROAD MYTHS

Myth: The Classes will be confusing and harder.

Fact: Classroom structure in other countries might be different but that doesn't mean they will be any harder or more confusing then your classes here. After getting adjusted to the teaching styles of your new professors the classes should teach you as much or more about the subject you're studying and you will have fun in a new learning experience.

Save the Date!

International Opportunities Fair

When: September 15, 2010

Time: 11 am-4 pm

Where: Maucker Union Ballroom

UNI Study Abroad Center
