ARE YOU APPLYING FOR SPRING 2012?

I know it may seem too early to start thinking about next spring semester. However by the fall semester, you will only have five weeks before the spring 2012 application is due on Oct. 1st.

In those five weeks, you will have to pick your destination, compile your documents, etc. At the same time, you will have to move in, find out your schedule, and figure out all the other new semester antics. Why go through the hassle? Come in and talk to the Study Abroad advisors today, so you can start the study abroad process during the summer!

This is important! It is your future!
