## ESTIMATED TOTAL PROGRAM COST \$ 21,194

The estimated total cost of this program is comprised of two primary components: 1. billable charges that will post to your U-Bill at the beginning of the program's term, and 2. out-of-pocket costs that you will pay directly out-of-pocket before, during, and possibly after the program. These two main cost components are detailed in the sections below.

## ESTIMATED U-BILL CHARGES \$ 11,815

The estimated U-Bill charges for this program will appear on your U-Bill at the start of the program's term. Payment is due on or around the 20th of the first month of your program. Tuition, Housing and Foreign Travel cost items will have a 2.5% University mandated Self-Supported Funds Overhead Fee applied and are subject to currency rate fluctuations and foreign transaction fees.

### SPECIAL NOTE: UNI Tuition & Fees, when and where applicable, for 2026-2027 are Reflected on this Sheet.

All fees, charges, and costs shown on this budget sheet are estimates for the university program and term indicated. These estimates draw from currently available information and may change at any time during the application process or during the program. Selection of additional courses, upgraded housing, or other optional program additions will incur additional costs.

\* International airfares can vary significantly between air carriers and selected flight itineraries. The airfare estimate shown uses the program's estimated start and end dates. All airfare estimates assume a single roundtrip flight between Chicago's O'Hare International Airport (ORD) and the nearest major international airport to the host university. Flight itineraries originating and terminating at a local airport, or those that include upgraded seating or supplemental amenities may increase airfare cost.

\*\* Food, Public Transportation, and Personal Necessities estimates are based off the published UNI Cost of Attendance (COA) for the program's term and are adjusted using a cost of living multiplier for the nearest major metropolitan area to the host university as well as the program's anticipated duration. All such costs are computed using a "live like a student" model. Dining out, taking taxis instead of public transit, weekend travels, purchasing souvenirs, and partaking in optional non-program related activities will all increase your total program cost.
